FY2021 State of Georgia Workforce Report

Annually, the Department of Administrative Services publishes the Georgia State Government Workforce Report. The report includes a year-over-year comparison of workforce demographics including turnover, retention, and staffing levels.

Information provided primarily focuses on Executive Branch entities and is available to entities that utilize the state's enterprise HRIS Peoplesoft/TeamWorks system. The report also provides a snapshot of Georgia's state entities and branches of government. Note: Data for the Georgia World Congress Center and Board of Regents are not included in the report.
